SIR,

I have the honour to inform you that Mr. M. Subbiah, B.A., of Messrs. Rudrappa & Sons, Lalbagh Road, Bangalore has generously offered through the Deputy Commissioner and President of the District Economic Committee of the Bangalore District to place at the disposal of the Education Department, his site with foundations laid at Mavally, near Lalbagh, for the construction of a building for the Primary School in that locality. It is reported that the cost of the site with foundations will come to about Rs.2,500/- and a tracing showing its dimensions etc., is herein enclosed. The Primary School at Oopparahalli is being held in a rented building which is unsuited for school purposes and a Government building in this locality is greatly needed. Budget.

Copies of correspondence are enclosed for reference.

I have the honour to be,

With reference to letter No. R.734 dated 27th ultimo, from the Deputy Commissioner, Bangalore District, has the honour to inform that arrangements will be made to locate the Primary School now at Oopparahalli in the new building proposed to be constructed on the site belonging to Mr. Subbiayya. A stone tablet testifying to the gift of the site will be attached to the building. The school however cannot be called by the name 'Mavalli Rudrappa's Primary School' as the cost of the structure and the recurring cost of maintaining the school have to be borne by Government. If Mr. Subbaiyya is agreeable to make over the site in the circumstances mentioned, a recommendation will be made to Government to accept the site as a gift from him.

Docket No.514 dated 15th February 1915 from the District Inspector of Education, Bangalore, to the Inspector General of Education in Mysore, Bangalore:---

---

Has the honour to report that the Taluk Kannada School at Upparahalli, Bangalore city, is growing in importance on account of its increasing strength and popularity. It is located in a rented building which is not suitable for school purposes. The want of a Government building is keenly felt. The site by the side of the main road in front of the western gate of Lalbagh is quite suitable for constructing a Government school building. Steps may kindly be taken to secure the site and the construction, at an early date, of a building with four rooms, each convenient in itself to accommodate 40 pupils, with a spacious central hall may kindly be sanctioned.
